Quay to Rome

TRAVEL TRADE COLLECTION

From your ship to the heart of Rome.

A fast-growing independent cruise transfer broker. U.S.-inspired driver selection, local coordination and competitive trade rates.

CIVITAVECCHIA / ROME / FIUMICINO

Five ways to explore Rome

Rome Full Day

PRIVATE DRIVER

A port round trip with outdoor stops and time to explore Rome at your own pace.

Rome Full Day

WITH A LICENSED GUIDE

A port round trip with an agreed guided visit in Rome, planned around your sailing.

Rome After the Cruise

TOUR + ONWARD TRANSFER

See Rome after disembarking, then continue to your hotel or Fiumicino if timing allows.

Vatican Private Guided Tour

Vatican Museums and Sistine Chapel with a licensed guide. Timed tickets are subject to availability.

Historic Centre Walking Tour

Walk through the Pantheon area, Piazza Navona and Trevi Fountain with a licensed guide.

Transfers and attraction tickets are quoted separately unless included in writing.

From ship to hotel or airport

MERCEDES-BENZ V-CLASS

Black / MY 2026

MERCEDES-BENZ SPRINTER

Black / MY 2025–2026 / 16 or 19 seats

Illustrative fleet imagery.

Civitavecchia ↔ Fiumicino Airport

Cruise port and airport transfers in either direction.

Civitavecchia ↔ Rome

Dedicated transfers to and from hotels or addresses.

Fiumicino Airport ↔ Rome

Private transfers for pre- and post-cruise stays.

We confirm the vehicle configuration, luggage fit and port meeting point for each itinerary.

Selected brands from published itineraries. Names and logos identify cruise lines only. Quay to Rome is independent.

Let’s plan your next Civitavecchia itinerary.

Our U.S.-inspired brokerage model gives travel partners one local point of contact and access to a network of drivers and vehicles selected for each booking.

SEND US

Travel date, ship and sailing window, party size, luggage, hotel or flight details and guide language.

WE’LL REVIEW

We select the driver and vehicle based on availability, service track record, guest feedback and group needs. We itemize transport and guiding so you can compare the same inclusions.
